law firm offices

year: 2012

location: via Manzoni- Milan

sqm: 200

at Fabio Azzolina Architetto

A particular feature of this project is the bespoke white boiserie with integrated flush doors, which lead into the private rooms in this office. Two main elements, the large lamp and the blue wallpaper, give emphasis to the meeting room. All rooms have a common terrace from which you can admire and enjoy the city skyline.
